

Sargent Public Schools

SARGENT, NEBRASKA 68874

PHONE: 308-527-4119

SCHOOL DISTRICT #84

We appreciate your cooperation and flexibility as we navigate through the new norms under COVID-19. Here are some further adjustments we are making at Sargent Public Schools in addition to what has been posted on our website and Facebook:

- K-12 students will have a closed campus until further notice. This means once your students step on campus they are not to leave school grounds until they leave at the end of the school day.
- Student and community use of the school building after hours is being suspended until further notice.
- We are asking parents/guardians to please drop off and pick up students at either the East main door or the South Elementary door and **NOT** enter the building.
- Increased Handwashing: Students and visitors are to immediately wash their hands upon entering the school. Time has been designated and students and staff are required to wash hands before lunch and before they leave the building at the end of the day.
- Please look at the school website and online calendar for updates on events. At this time all school events for this week including track practice, the Kids Carnival, livestock judging, and quiz bowl have been postponed and or canceled.
- Twin Loup Activities: Twin Loup athletes will not have track practice or Speech Practice after school due to NSAA suspending all practices and events until April 2nd.

Sargent Public Schools will be having a 2:00 dismissal Thursday, March 19th to allow for a teacher in service. Buses will run accordingly. THANK YOU for your cooperation!
